

SENIOR COST CONTROLLER / ACCOUNTANT

As a Senior Cost Controller, you will join a small family business team passionate about delivering exceptional high quality food to the local community

We are seeking an experienced, thorough, and insightful cost controller with some accounting skills to oversee cost management for our restaurant. In this role, you will report directly to the owner to analyze costs, assess vendor relationships, and maximize profitability. To succeed in this position, you will demonstrate an aptitude for efficiency, problem-solving, and resourcefulness, with a deep commitment to our core values. You will be able to work remotely most of the times & attend the branch in Achrafieh once a month.

Job Type: Part-time / Hybrid

Location: Achrafieh - Beirut

KEY COST CONTROL RESPONSIBILITIES

- Able to effectively control the Food & Beverage Cost
- Control the Food and Beverage outlets in terms of wastage, pilferage and efficiency.
- Prepare variance analysis for food & beverage and communicating with management.
- Prepare the costing for recipes and menus prepared by the Chef.
- Update and maintain receipts into the systems.
- Update & maintain supplier bills into the systems.
- Check and verify voids in the POS systems.
- Check and verify all settlements done on the POS system.
- Check and verify for any lost postings.
- Check the cost of sales and ensure that the costs are within budget.
- Check the menu pricing on the POS systems and ensure the correct prices are loaded.
- Responsible for preparing weekly & monthly F&B Report and distribute to management.
- Check and ensure all menu items have a recipe.
- Coordinate with restaurant management to sort out issues pertaining to F&B.
- Update selling prices in POS
- Responsible to maintain the Menu Pricing, Consumption and POS systems.
- Any other tasks as and when required by the management.

KEY ACCOUNTING RESPONSIBILITIES

- Able to effectively control the Food & Beverage Cost.
- Perform a wide variety of general accounting functions including journal entries, month-end closing procedures and balance sheet reconciliations.
- Communicate with restaurant management to obtain and/or explain financial information.
- Assist with cash flow forecasting.
- Various accounting projects as needed.

JOB REQUIREMENTS

- Proven experience in cost controlling & accounting with strong problem-solving capabilities.
- Excellent leadership skills with a hands-on approach and lead-by-example work style.
- Commitment to exceptional guest service with a passion for the hospitality industry.
- Ability to find creative solutions, offering advice and recommendations.
- Personal integrity, with the ability to work in an environment that demands excellence and energy.
- Experienced in POS systems.
- Strong communication skills

Thymes961 is small family business concept inspired by our family cuisine. It specializes in Kebbé, the emblematic dish of the town our family comes from: Ehden & Zgharta. Kebbé is a deeply-rooted tradition & a conscience of our Lebanese culture.

Kebbé artistry has been passed on in our family from generation to generation. Today, our utmost responsibility & noble duty is to preserve this tradition with passion, love, creativity. These are some of the core values we believe are crucial to achieve our message: a high-quality Kebbé family business serving the local community.

CORE VALUES

Serving the Community

Our local community mean the world to us. We therefore strive to meet our clients' food expectations. We believe in a long standing reputation that is mutually beneficial. We take painstaking steps to ensure our customers get the best Kebbé on the market.

Quality

Quality is the foundation for our Kebbé & our open kitchen concept defines our openness & integrity when it comes to highest hygiene standards.

Employee satisfaction

We strive to maintain a family spirit environment where employees can do good, take responsibilities, get rewarded, be transparent & stay loyal to our mission.

Responsibility

Responsibility is doing good & caring; responsibility is self-improvement , responsibility is to achieve zero-complaint from our clients. Responsibility is to perform.
